

Planet Fitness

Tune Electrical Filters deliver a healthy 13% savings in kilowatt-hours at Planet Fitness in Birmingham (Roebuck), Alabama.

Fitness centers present the perfect opportunity for Tune filters to deliver savings. TVs, digital monitors, and extensive lighting are energy hogs that generate the electronic noise that Tune Electrical Filters address head-on.

SAVINGS

CHI Energy, a trusted third-party analyst, performed a savings impact evaluation.

PREDICTED kWh	ACTUAL kWh	SAVINGS kWh %	MONTHLY SAVINGS
43,229	37,600	13.02%	\$646
